

Virtual Work Based Learning Events

Pathful Connect virtual Events are a great way to host multiple career topics, offer a regular cadence, and invite your entire school or district to join all in one space!

Why host an Event with Pathful Connect?

- You pick the topic, we find the industry professionals
- Teachers and students register & join sessions with one url
- Easily invite Community Partners
- Your Event page with all videos can be accessed forever after the event

Planning your event is simple:

1 Choose an initiative to target an event type:

- Career Conversations**
Explorations of career possibilities
- Employability Skills Workshops**
Multi-session skill building using a mentoring approach
- Real-World Connections**
Applying curriculum to real world work

2 Choose the timeline for your event:

- All sessions in a **single day**
- Weekly sessions** all month long
- Monthly sessions** for a full semester
