

Scale your community outreach by virtually connecting with students about your business & industry!

## What can Nepris do for You?

**Support the Community** - Local teachers can ask for YOU to connect

**Build your Brand** - Introduce students to your products, company, and industry

**Shape the Future** - Participation supports diversity, inclusion, and equity initiatives

**Scale your Outreach** - Reach classes locally and nationally without travel time

**Engage your Employees** - Develop speaking skills, leadership, and culture of giving back
