

Interviewing Questions for Nepris Testimonials

As you grow your user base, consider offering prospective companies and volunteers a glimpse of what it's like to utilize Nepris. Here are some questions you can use to gather some perspectives and then integrate into communications materials.

QUESTIONS FOR INDIVIDUALS

- How did you first hear about Nepris?
- What made you say "yes" to the first Nepris session?
- How would you describe your experience of talking with students?
- What do you know now that you wish you would have known when you were that age?
- What would you say to others who are considering becoming a virtual volunteer?
- You've done several sessions, what made you say yes after the first one?
- What three words would you choose to best describe your Nepris experiences?
- What is a memorable or humorous moment from one of your sessions?

QUESTIONS FOR COMPANIES & INTERMEDIARIES

- What attracted you to working with Nepris the first time?
- How does the relationship with Nepris help you toward meeting your outreach goals?
- How does volunteering through Nepris benefit students, the overall community and your organization/ professional field?
