

Career Research Paper

Directions:

1. Choose a person you admire because of their career.
2. Research their career using the career explorer.
3. Watch at least two videos related to this career.
4. Write a one-page paper that answers the following questions:
 - What are the educational requirements of this career? Does the person you know have these requirements?
 - What is the median yearly salary for this career? Do you feel this is a fair salary for the person you know? Why?
 - What does this career professional do daily?
 - What about their career made you admire this person?
 - How do they contribute to society in a positive way?
 - What is something you learned about this career that you didn't know?
 - Would you like to do this career when you are grown? Why or why not?
